CONNECT 1
AT A GLANCE

Introducing Milwaukee County's newest bus rapid transit system (BRT), CONNECT.

The BRT will connect our community to employment, education, and recreation via a new nine-mile route. Battery electric buses (BEBs) will provide reliable high-frequency transportation, cost savings, and a cleaner environment to thousands of riders annually.

HOW DO I RIDE CONNECT?

It's easy! Board any of the **33 CONNECT stations**. When the CONNECT bus arrives, you can board through either the front or back door and head to your favorite spot to ride. The bus then keeps moving on to the next station! Enjoy the quietest ride in town!

WHY IS CONNECT 1 BUS RAPID TRANSIT IMPORTANT?

TIME SAVINGS Dedicated bus only lanes means less competition with traffic and shorter travel times.

FREQUENT Buses arrive every 10 minutes during the peak and 15 minutes on weekends.

RELIABLE Fewer stops and pre-board fare payment provides for more predictable service for riders.

NEW FEATURES OF CONNECT BUSES

- 11 Battery Electric Buses (BEBs)
- Charge overnight in a garage
- Charge at layovers at the Watertown Plank park and ride to keep the batteries running at peak performance throughout the service day
- Charging ports on board. Battery running low? Charge your devices at one of our ports located throughout the bus

STATION FEATURES

- Elevated Curb** Bus doesn't have to "kneel" or lower.
Snowmelt System Triggered by heat sensors, concrete is kept at above-freezing temperatures during colder seasons. Snow melts on contact, keeping each platform clear.
Premium Shelter Metal/glass with wooden roof-beam accents.
Lighting Bright enough to read a book at night, keep you safe; low enough to stay below "urban light pollution."

- Security Cameras**
Pylon Sign 14-ft tall, easily seen from down the road (Where is the next BRT station? There!). Includes specialized branding and lighting.
Detectable Warning Field "Sidewalk plate" running along the platforms roadway edge (2-ft) alerting passengers to watch their step.
Real-Time Sign Next available bus. Audio push button for sight impaired (English/Spanish) mounted on the side of the ticket vending machine (TVM).

MORE WAYS TO PAY

- Pay before you board for a quicker ride. Choose from several ways to pay at each station:
Ticket vending machines (TVM): Pay your fare by cash or credit card. Change is not given at the machine.
Validator: Scan your WisGo card, Umo app, or TVM ticket on the validator located at the station. The more you ride the more you save.
