

10 TIPS FOR EASY TRANSIT USE

Transit Guide

For a map showing all MCTS routes system wide, as well as detailed “how to” information, look for the MCTS Transit Guide in racks throughout Milwaukee or visit RideMCTS.com to find the route that gets you where you want to go.

Google Transit Trip Planner

The easiest way to plan your trip is by using Google Transit Trip Planner located on the RideMCTS.com homepage. Simply put in your starting point, destination and time you want to travel and the planner will give you detailed instructions including route numbers, times and transfer points.

Route Guides

To know everything about the routes you’re going to use, look for detailed route guides in display racks throughout Milwaukee or visit RideMCTS.com. Route guides can also be found on board buses.

Bus Stops

Most local routes have stops about every two blocks. Make sure your route number is printed on the sign at the bus stop you choose.

Before Boarding

To make sure you board the correct bus, look at the electronic sign on the bus to make sure it matches your route and final destination.

How to Pay

Have the fare you need ready before boarding. Exact cash fare, bus ticket, weekly pass or other MCTS passes are accepted. Once you’re on the bus deposit the cash or ticket in the farebox near the driver or show the driver your bus pass.

For a Transfer

When paying your fare, ask the bus driver for a transfer if you plan to change to another bus to complete your trip.

Just Ask

If you are not familiar with the area where your destination is located, ask the driver to call your street.

Signal Driver

To signal to get off the bus, use the touch strip or pull cord located above the window inside each MCTS bus. If you are utilizing the bike rack located on the front of the bus, remind your driver that you will need to unload your bike once the bus has stopped.

To Exit

Exit from the rear door of the bus once the green light above the door appears. Touching the center of the handles automatically opens the doors.
