CONNECT 1
AT A GLANCE

Introducing Milwaukee County's newest bus rapid transit system (BRT), CONNECT.

The BRT will connect our community to employment, education, and recreation via a new nine-mile route. Battery electric buses (BEBs) will provide reliable high-frequency transportation, cost savings, and a cleaner environment to thousands of riders annually.

HOW DO I RIDE CONNECT?

It's easy! Board any of the **33 CONNECT stations**. When the CONNECT bus arrives, you can board through either the front or back door and head to your favorite spot to ride. The bus then keeps moving on to the next station! Enjoy the quietest ride in town!

WHY IS CONNECT 1 BUS RAPID TRANSIT IMPORTANT?

TIME SAVINGS Dedicated bus only lanes means less competition with traffic and shorter travel times.

FREQUENT Buses arrive every 10 minutes during the peak and 15 minutes on weekends.

RELIABLE Fewer stops and pre-board fare payment provides for more predictable service for riders.

NEW FEATURES OF CONNECT BUSES

- 11 Battery Electric Buses (BEBs)
- Charge overnight in a garage
- Charge at layovers at the Watertown Plank park and ride to keep the batteries running at peak performance throughout the service day
- Charging ports on board. Battery running low? Charge your devices at one of our ports located throughout the bus
