NOTES: Boldface times are PM

The BRT connects our community to employment, education, and recreation via a new nine-mile route. Battery electric buses (BEBs) provide reliable high-frequency transportation, cost savings, and a cleaner environment to thousands of riders annually.

PREPAY BEFORE YOU BOARD

It's easy! Scan your WisGo card, Umo app, or TVM ticket on the validator located at the station. Then you can board through either the front or back door and enjoy the ride.

Keep your proof of payment handy in case you're asked to show it to a spot checker.

HOW TO USE THE TICKET VENDING MACHINE

Don't have the WisGo card or Umo mobile app? No problem!

You can pay your fare by cash or credit card at the Ticket Vending Machine (TVM) located at each CONNECT 1 station. The TVM will print out a ticket which you can scan at the validator before you board CONNECT 1. Change is not given at the machine. Save your ticket afterwards as proof of payment.

WHY IS CONNECT 1 BUS RAPID TRANSIT IMPORTANT?

TIME SAVINGS Dedicated bus only lanes means less competition with traffic and shorter travel times.

FREQUENT Buses arrive every 10 minutes during the peak and 15 minutes on weekends.

RELIABLE Fewer stops and pre-board fare payment provides more predictable service for riders.

EVERY FARE COUNTS. We're counting on you.

By paying your fare, your money goes toward more reliable bus service, cleaner buses, more accessible bus stops, and an improved overall rider experience. It's a small act with a big impact, and it keeps public transit accessible and sustainable for everyone.
