

MCTS NEXT is a new way of looking at the Milwaukee County Transit System!

We're making improvements this year so that you can enjoy benefits like:

- More high frequency routes
- More service along high-demand corridors
- New service to major job centers and grocery stores
- Less waiting when transferring between routes
- Faster travel times
- Service that is easier to use and understand

The last phase of MCTS NEXT will go into effect August 2021.
