June 30, 2020

John Weishan, Chair
Sylvia Ortiz-Velez, Vice Chair
Joseph Czarnezki, Russell Goodwin, & Steven Shea, Members
Transportation, Public Works, and Transit Committee
901 North 9th Street
Milwaukee, WI 53233

We are delighted at the budget-neutral service improvements we will see with the adoption of MCTS NEXT. These changes can hardly come soon enough as we seek to serve our students and the businesses around us.

Bus service is very important to Alverno. The service improvements represented in MCTS NEXT will allow Alverno to be even more physically and financially accessible for students, faculty, and staff. With better access between Alverno and all of Milwaukee County, our students will appreciate the increased opportunities to shop locally, serve Milwaukee businesses in internships, and enjoy making Milwaukee their home.

We urge the County Board to approve MCTS NEXT at the earliest opportunity.

Sincerely,

Rachel Haas

Assistant Dean of Students
